

Anna Corriveau, Ph.D.

Email: corriveaua@uchicago.edu | Website: annacorriveau.github.io | [Google scholar](#)

EDUCATION AND EMPLOYMENT

Postdoctoral Associate Action, Computation, and Thinking Lab, New Haven, CT Cognitive/Computational Human Neuroscience Lab, New Haven, CT Yale University Department of Psychology Co-supervisors: Samuel D. McDougle and Marvin M. Chun	2026-present
Doctor of Philosophy: Psychology Cognition, Attention, and Brain Lab, Chicago, IL University of Chicago Department of Psychology Supervisor: Monica D. Rosenberg, PhD	2020 - 2026
Master of Arts: Psychology Cognition, Attention, and Brain Lab, Chicago, IL University of Chicago Department of Psychology Supervisor: Monica D. Rosenberg, PhD	2020 - 2022
Post-Baccalaureate Research Fellow Laboratory of Brain and Cognition (NIMH), Bethesda, MD NIH Intramural Research Training Award Fellowship Program Supervisor: Chris I. Baker, PhD	2018 - 2020
Bachelor of Arts: Psychology and Neurobiology University of Wisconsin-Madison	2014 - 2018
Research Assistant Learning and Transfer Lab, Madison, WI University of Wisconsin- Madison Department of Psychology Supervisor: C. Shawn Green, PhD	2017 - 2018

HONORS AND FELLOWSHIPS

Research Excellence Postdoctoral Fellowship, University of Toronto (declined offer)	2026
Dixit-Foged Dissertation Fellowship, The University of Chicago Social Sciences (\$5000)	2025
Trainee Professional Development Award, Society for Neuroscience (\$1000)	2025
Three Minute Thesis winner, Vision Sciences Society (\$200)	2025
Institute for Mind and Biology Fellow, The University of Chicago	2024-26 AY
Ruth Sosis Memorial Fellowship, The University of Chicago Psychology (\$2000)	2023
Honorable Mention, NSF Graduate Research Fellowships Program	2022
Research Development Award, The University of Chicago Graduate Council (\$500)	2021
Outstanding Undergraduate Research Award, UW-Madison Psychology	2018

TRAVEL AWARDS

Institute for Mind and Biology Travel Award (\$1000; The University of Chicago)	2026
Norman H. Anderson Travel Award (\$1500-1800; The University of Chicago Psychology)	2024-26 AYs
Travel and Research Award (\$500; The University of Chicago Psychology)	2024
Travel and Networking Award (\$1600; Females of Vision et al.)	2023

TALKS & PRESENTATIONS

Conference talks

Corriveau, A., Tian, D., Chidharom, M., Vogel, E.K., Rosenberg, M.D., *Unique contributions of selective and sustained attention to neural image representations*. Talk presented at the Annual Meeting of the Vision Sciences Society May 2026, St. Pete Beach, FL.

Corriveau, A., Ke, J., & Rosenberg, M.D., *Common neural activation and co-fluctuations underlie auditory and visual sustained attention*. Talk presented at the Society for Neuroscience annual meeting October 2024, Chicago, IL.

Corriveau, A., Yoo, K., Kwon, Y. H., Chun, M., & Rosenberg, M. D. *Functional connectome stability and optimality predict cognitive performance*. Talk presented at the European Society for Affective and Cognitive Neuroscience bi-annual meeting May 2024, Ghent, Belgium.

Corriveau, A., Chao, A., deBettencourt, M. T., & Rosenberg, M. D. *Recognition memory fluctuates with the floodlight of attentional state*. Talk presented at the Annual Meeting of the Vision Sciences Society May 2024, St. Pete Beach, FL.

Corriveau, A. L., Kidder, A., Wardle, S. G., Silson, E. H., & Baker, C. I. *Decoding familiar people and places during memory recall*. Talk presented at Capital Area Cognition, Attention, and Perception Conference January 2020, Washington, DC.

Colloquia and invited talks

Corriveau, A. *Attention impacts neural representations and memory of images*. Talk presented at the Systems Neuroscience Approaches to Alzheimer's Disease Symposium June 2026, Chicago, IL.

Corriveau, A. *Consequences of attentional fluctuations for cognitive and neural representations*. Talk presented at Yale University July 2025, New Haven, CT.

Corriveau, A., Chao, A., James, A., Jr., deBettencourt, M. T., & Rosenberg, M. D. *Consequences of sustained attention's floodlight for recognition memory*. Talk presented at University of Chicago Cognition Workshop October 2023, Chicago, IL.

Corriveau, A., Yoo, K., Kwon, Y. H., Chun, M., & Rosenberg, M. D. *Connectome stability and typicality as markers of cognitive performance*. Talk presented at University of Chicago Cognition Workshop October 2021, Chicago, IL.

Poster presentations

Corriveau, A., Ke, J., Rosenberg, M. D., *Attentional engagement strengthens the neural representation fidelity of narrative features*. Poster presented at the Annual Meeting of the Cognitive Neuroscience Society March 2025, Vancouver, Canada.

Corriveau, A., Ke, J., Rosenberg, M. D., *Engagement strengthens functional attention networks and neural representations of naturalistic stimuli*. Poster presented at the Annual Meeting of the Society for Neuroscience November 2025, San Diego, CA.

Corriveau, A., Ke, J., Rosenberg, M. D., *Functional brain network dynamics capture context- and modality-general fluctuations in sustained attention*. Poster presented at the Annual Meeting of the Vision Sciences Society May 2025, St. Pete Beach, FL.

Corriveau, A., Ke, J., Rosenberg, M. D., *Brain network dynamics capture fluctuations in attention during tasks and narratives*. Poster presented at the Annual Meeting of the Social and Affective Neuroscience Society April 2025, Chicago, IL.

Anna Corriveau, Ph.D.

Corriveau, A., Ke, J., Rosenberg, M. D., *Shared neural activation and co-fluctuations underlie auditory and visual sustained attention*. Poster presented at the Annual Meeting of the Organization for Human Brain Mapping June 2024, Seoul, South Korea.

Corriveau, A., Yoo, K., Kwon, Y. H., Chun, M., & Rosenberg, M. D. *Similarity to a task-optimal connectome predicts cognitive performance*. Poster presented at the Annual Meeting of the Organization for Human Brain Mapping June 2023, Montreal, Canada.

Corriveau, A., James, A., & Rosenberg, M. D. *Characterizing the consistency and malleability of sustained attention performance*. Poster presented at the Annual Meeting of the Vision Sciences Society May 2023, St. Pete Beach, FL.

Corriveau, A., Yoo, K., Kwon, Y. H., Chun, M., & Rosenberg, M. D. *Connectome stability as a marker of cognitive performance*. Poster presented at the Annual Meeting of the Society for Neuroscience November 2021, Chicago, IL.

Corriveau, A., Yoo, K., Kwon, Y. H., Chun, M., & Rosenberg, M. D. *Functional connectome stability as a marker of cognitive performance*. Poster presented at the Annual Meeting of the Organization for Human Brain Mapping June 2021, virtual conference.

Corriveau, A., Kidder, A., Wardle, S., Silson, E., & Baker, C. *Time course of decoding familiar people and places during visual recall from memory*. Poster presented at the Annual Meeting of the Vision Sciences Society 2020, virtual conference.

Corriveau, A. L., Kidder, A., Wardle, S. G., Silson, E. H., & Baker, C. I. *Temporal dynamics of memory recall for familiar people and places*. Poster presented at MEG North America Workshop November 2019, Bethesda, MD.

Corriveau, A. L., Kidder, A., Wardle, S. G., Silson, E. H., & Baker, C. I. *Temporal dynamics of memory recall for familiar people and places*. Poster presented at the Annual Meeting of the Society for Neuroscience October 2019, Chicago, IL.

Corriveau, A. L., Kidder, A., Wardle, S. G., Silson, E. H., & Baker, C. I. *Temporal dynamics of memory recall for familiar people and places*. Poster presented at the Annual NIMH IRP Fellows' Scientific Training Day September 2019, Washington, DC.

Corriveau, A., Kidder, A., Wardle, S., & Baker, C. I. *Temporal Dynamics of Memory Recall for Familiar People and Places*. Poster presented at NIH Post-Baccalaureate Poster Day May 2019, Bethesda, MD.

Dickter, A. H., Hebart, M. N., Kidder, A. M., Kwok, **Corriveau, A. L.**, W. Y., Zheng, C. Y., & Baker, C. I. *Towards a large-scale characterization of object representations in behavior and the human brain*. Poster presented at the Annual Meeting of the Society for Neuroscience November 2018, San Diego, CA.

SERVICE

ReproducibiliTea Journal Club Organizer, University of Chicago (2022 - 2026 AYs)

Psychology Department Peer Mentor, University of Chicago (2023 - 2025 AYs)

Psychology Graduate Student Organization, University of Chicago

- Treasurer (2022 - 2024 AYs)
- Secretary (2021 - 2022 AY)
- Social committee member (2020 - 2026 AYs)
- Health and Wellness committee member (2021 - 2026 AYs)
- Academic and Career Development committee member (2023 - 2026 AYs)

Anna Corriveau, Ph.D.

Undergraduate Psychology Journal Reviewer, University of Chicago (2021 - 2025 AYs)

Journals reviewed for: *Acta Psychologica*, *Attention, Perception, & Psychophysics*; *Biological Psychiatry*; *Cerebral Cortex*; *Human Brain Mapping*; *Imaging Neuroscience*; *Journal of Experimental Psychology: General*; *Journal of Experimental Psychology: Learning, Memory, and Cognition*; *Journal of Neuroscience Methods*; *Network Neuroscience*; *NeuroImage*; *Proceedings of the Royal Society B*; *Psychological Research*

MENTORING

Dongfang Tian, 2025-2026, University of Chicago master of arts student (MAPSS)

Publications: first author publication *in prep*

Louisa Lyu, 2023-2024, University of Chicago undergraduate

Publications: first author publication accepted at *Biological Psychiatry: Cognitive Neuroscience and Neuroimaging*

Next: PhD student with Matthew Lieberman at UCLA

Anthony James Jr., 2022-2023, University of Chicago undergraduate

Publications: second author publication at *Journal of Experimental Psychology: General*

Next: Postbaccalaureate Research Fellow at Northwestern University Feinberg School of Medicine

TEACHING

Teaching Assistant, The Psychology and Neurobiology of Stress	Autumn 2022
Teaching Assistant, Sensation and Perception	Winter 2023
Guest Lecture, <i>Visual Attention</i> , Sensation and Perception	Winter 2023
Teaching Assistant, Cognitive Psychology	Spring 2023
Teaching Assistant, Social Psychology	Autumn 2023
Teaching Assistant, Big Data in the Psychological Sciences	Spring 2024
Guest Lecture, <i>Big Data in Other Senses</i> , Big Data in the Psychological Sciences	Spring 2024
